Profile

A 29 years old economist from Maracay-Venezuela. Self-guided frontend developer, proficient in HTML, CSS and JavaScript. With communication and proactive skills, always open to learn new things that help improve my way of working. I have also learned to use tailwind and a bit of liquid for shopify projects

Education

Economist, Universidad de Carabobo (2015-2022)

I obtained the title of economist from the prestigious University of Carabobo in Venezuela, being the best academic average of my class.

Frontend Developer, Self-guided (2022-Present)

I have followed the Platzi learning path for development, as well as taking courses on Udemy, Full Stack Open and others. Today I continue learning about this wonderful world. **Never stop Learning.**
